TOLUCA LAKE DIRECT PATIENT CARE

WEBSITE TERMS OF USE

Effective date: October 1, 2026

These terms govern use of bartonshealth.com, a website owned by ROBERT C. BARTON, JR., M.D. INC., a California professional medical corporation doing business as TOLUCA LAKE DIRECT PATIENT CARE (the "Practice"); they do not replace the membership agreement, Patient Communication Policy, consent forms, Notice of Privacy Practices, or any other Practice form, policy, or procedure.

These Terms of Use do not create any arbitration agreement and do not modify any arbitration provisions contained in separately executed patient agreements or other Practice documents.

Website information

This website provides general information about the Practice, its services, making appointments, and membership. Website content may not be complete, current, or applicable to your circumstances. Do not rely on it as a substitute for professional medical advice, diagnosis, or treatment.

No physician-patient relationship

Viewing the website, sending a general inquiry, or scheduling an appointment does not establish a physician-patient relationship. That relationship begins only after the practice accepts you as a patient and the required documentation is completed.

No emergency communication

The website, contact form, email, and scheduling tools are not for emergencies and may not be monitored continuously. If you may be experiencing a medical emergency, call 911 or go to the nearest emergency department.

Appointments, fees, and membership

Website descriptions are summaries. The signed membership agreement and current fee schedule control the services included, fees, cancellation terms, and other membership conditions. Practice membership is not health insurance and does not pay for outside care.

Third-party services and links

The website may link to or embed services operated by other organizations, including scheduling, maps, video, and patient-portal services. Those services are governed by their own terms and privacy practices. The Practice is not responsible for third-party websites or services it does not control.

Intellectual property and acceptable use

Unless otherwise identified, website text, graphics, logos, branding, design elements, and other content are owned by or licensed to the Practice and may be protected by copyright, trademark, and other intellectual property laws. Such materials may not be copied, republished, distributed, modified, or commercially used without written permission.

You agree not to misuse the website, interfere with its operation, attempt unauthorized access, or submit unlawful, harmful, or malicious material.

The Practice reserves the right to suspend, restrict, or terminate access to the website at any time, with or without notice, for maintenance, security, operational, or other business reasons.

Disclaimer and limits

The website is provided on an “as available” basis. To the extent permitted by law, the Practice disclaims warranties concerning website availability, accuracy, and fitness for a particular purpose. Nothing in these terms excludes liability that cannot lawfully be excluded.

Changes and governing law

We may update these terms by posting a revised version with a new effective date. California law governs these terms, without regard to conflict-of-law rules, except where another law applies. Any dispute must be brought in a court with appropriate jurisdiction, subject to applicable law.
